In the context of Motion 30 the Anglican Church in Aotearoa, New Zealand and Polynesia is facing an uncertain future. The issues of human sexuality have proven to be theologically contentious and pastorally sensitive.

The Fellowship of Confessing Anglicans (New Zealand) invites you to its launch conferences in April 2016: "Anglican Future Conference". We desire to gather as brothers and sisters in Christ seeking the best way to honour God and love people.

We are delighted to welcome Rev Vaughan Roberts (St Ebbe's, Oxford, UK) as our headline speaker who will speak on "True Gospel, True Sex, True Love, and True Unity". Other speakers include Rev Dr Sarah Harris exploring the topic of "Faithful Hermeneutics: women and same-sex", and Rev Dr Rhys Bezzant and Rev Dr Peter Adam reminding us of our Anglican Identity and Heritage. We will also begin each day in God's word with Revs Dale & Paul Williamson as they teach us from the Gospel of Luke on Jesus' mission, authority, and call.

Through workshops, worship and times of fellowship we will explore together how best to contend for the gospel once for all entrusted to the saints. We look forward to you joining with us.
